A poem:

Rabbit Habit

by Liana Mahoney

I have a rabbit habit.
I like to crunch and chew
On celery logs and carrot sticks,
And apple wedges, too.

I have a rabbit habit.
I like to chomp and munch
On crispy greens and juicy grapes.
Mmm...rabbit food for lunch!

A description:

The fruit is the part of a plant that develops from the flower. The fruit contains the seeds of the plant. It covers and protect the seeds. The fruit may have fleshy or dry tissue.

For example, an apple is a round, firm, fleshy, edible fruit with a green, yellow, or red skin and small seeds.

A banana is a curved, yellow fruit with a thick skin and soft sweet flesh.
