

My mam

New baby

My mother was born on the 01st September 1978. Her mam wanted to name her Agata and dad wanted Justyna, but in their times Justyna was very popular name so my mam was called Lucyna Agata.

A dream

Now (in the history) she is 6 years old and she has a dream. She wants to be an adult and have smart kids.

<- loving siblings

Long long later

She was interested in chemistry and wanted to be a pharmacist. On the 1st year of studies when mam was 19 years old she met her future husband (doctor) for the first time. It's funny and disgusting, because they met on autopsy.:/

Ding ding weding

On September 22, almost twenty years ago bells were ringing and my parents were hugging, kissing, cheering, you know why.

New things!!!

It's 01.07.2010 00:48 I'm born!!!

Our house is almost built. We were living in grandma's and grandpa's home.

Antek is born!!!

Now is 12.03.2012 12:08 and my brother is born!!!

DREAMS COME TRUE!!!

Mam says that we are fantastic kids even if we sometimes (almost all the time) are loud or argue with each other.

Now

Because all moments in life are exceptional.

Glossory

Autopsy - sekcja zwłok

Pharmasist - farmaceuta
